

## TUSKER SCREENS – RF SERIES ECONOMY FRAMES

### Description

Tusker RF Series Economy Frames are a practical, light weight and easy to assemble portable frame system. Manufactured from galvanised steel with a specially formed 19mm box section to give extra strength. Suitable for use with Tusker curtains which fit over the uprights. All frames can be extended by links. Castors are available for extra mobility.

### Application and Advantages

- **Welding screen**
- **Grinding screen**
- **Safety mobile screen**
- **Option to extend frame by links for booth forming**
- **Castors available for extra mobility**
- **Recommended for use with Tusker**
- **Welding Curtains, which conform to EN1598**
- **Recommended for use with Tusker Non-Welding curtains when non welding application is required**
- **Economical**
