

TUSKER SCREENS - EL SERIES ELEPHANT FRAMES

Description

The Tusker Elephant Shelter (multi-purpose shelter) is a ready assembled foldaway mobile shelter, fabricated using a sturdy zinc plated tubular steel. The shelter is suitable for use with Tusker range of reinforced PVC curtains or heavy duty canvas. The cover has press-studded access on two facing sides, which enables easy access for both personnel and machinery.

Application and Advantages

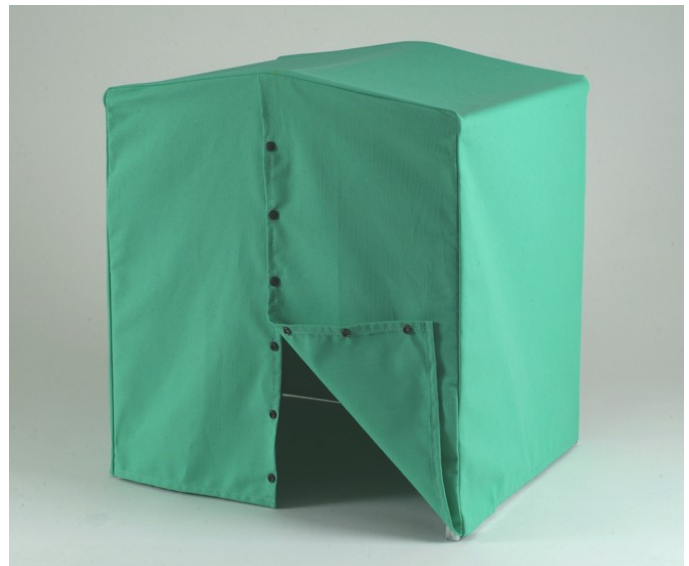

- For use as welding shelters, work shelters and site huts
- Flame Retardant
- Suitable for use with Tusker range of reinforced PVC curtains or heavy duty canvas, which conform to EN1598
- Easy to transport
- No special tools required
- Lightweight but strong frame
